

Hello,

Thank you for choosing [schweizer-edelmetallhandel.ch](http://schweizer-edelmetallhandel.ch). Take advantage of the sharply increased precious metal prices today! We purchase gold jewelry, scrap gold, broken gold, dental gold, silver, coins, luxury watches, and diamonds at the best prices. With our reliable service, you can easily and conveniently sell your old, damaged, or unworn valuables at fair rates.

### Turn your valuables into cash:

1. Pack your valuables in the provided bag (savebag), then place them into the box. (For tin and cutlery, please use your own packaging.)
2. Include the completed [cover letter](#) and a copy of your identification.
3. Carefully seal the box with packing tape to prevent transport damage. Send it to the following address:

Santinox AG, Postlagernd, 9053 Teufen AR.

4. If you use the shipping labels provided by us, your package is already insured. If you send it yourself, ensure it is insured at the post office accordingly.
5. The value assessment is conducted with transparent video documentation.
6. You will receive your personalized offer free of charge and with no obligation via WhatsApp or email.

### Serious and secure

Within 24 hours of receiving your valuables, we will conduct a professional evaluation and send you our offer. If you do not accept the offer, we will promptly return your valuables. If you confirm the offer, we will arrange the payment of the agreed amount.

### Do you have any questions?
